

# **ABSTRACT SUBMISSION GUIDELINES**

**(FOR AUTHORS)**

1. All interested authors are invited to submit one abstract for the symposium, relevant to one or more thematic areas.
2. The deadline of submission is at 23:59 PM ICT on 20 OCTOBER -2025.
3. Abstracts must only be submitted through the Google Form. Abstracts submitted via email or other media will not be entertained. No specific formatting is required.
4. The abstract must be limited between 150 to 300 words.
5. The abstract should be written in clear and concise language, avoiding jargon and provide a brief and understandable overview of the research, enabling reviewers and attendees to grasp the key points easily.
6. Authors must ensure that their abstract is relevant to the symposium's objectives and the thematic areas mentioned in the abstract call. The research and/or work presented must contribute to the discussions and discourse of the symposium.
7. Authors should provide accurate and complete information about themselves, including their contact details, affiliations, and any other required information specified by the symposium organizers.
8. Authors will be notified about the outcome of their abstract submission within seven business days via email, upon which they will receive an Abstract ID and further instructions regarding the payment and registration process.
